Infantry Barracks, ABASAR: February 1956

1. The barracks are located approximately 2 km N.E. of ABASAR on the road to MARKAZ, and cover an area of approximately 350 by 250 metres. See sketch at Appendix "A".
2. They consist of the following buildings:-
 - HQ building, marked (a) on the sketch;
 - Four buildings used as living quarters and stored, marked (b);
 - Garages, marked (c);
 - Ammunition dump, marked (d);
 - Two buildings, housing officers and their families. They are situated approximately 1 km S.W. from the barracks and marked (e) on the sketch.
3. An infantry unit, commanded by a major and containing approximately 45 officers and 700 men, was stationed at these these barracks. Political deputy to the O.C. was Captain TOTH f.n.u.
4. The following armament was observed:
 - MAXIM MMGs
 - 7.62 mm DEGTIAREV MMGs on tripods
 - Six 4.5. cm anti-tank guns
 - Six 5.7 cm anti-tank guns, mod. 43.
